

Block Lecture

Hardware-efficient Artificial Intelligence

by Dr.-Ing. Martin Rapp (Bosch AI Research)

**NEW IN
WS2025/26**

What?

**Learn how to run advanced AI models
efficiently on the hardware**

- Efficient AI model design
- Knowledge distillation
- Neural architecture search
- Pruning
- Quantization
- ...

When?

Block lecture (3 ECTS)

23. Feb 2026 – 26. Feb 2026

See ILIAS for more info →
